

"NAPMM's mission is to provide resources, leadership development, and networking opportunities for permanent retail, wholesale, and public market professionals to encourage their success and vitality on a local, regional and national level."

About our Mission and Handbook

Founded in 1947, NAPMM strives to help market managers improve facilities and increase services while encouraging cooperation and exchange of ideas between members and partners. An important tool we use for establishing this goal is the NAPMM Handbook. As a vital resource in our industry, the NAPMM Handbook connects you with leaders in our industry from across the Country. You can also find pertinent information about the organization and market listings. There is also a listing of pertinent U.S. Government agencies and the USDA Marketing Services Division.

Your participation and support through placing an ad in the handbook allows us to coordinate, print and distribute this valuable tool to our membership.

2024 Added Value

when you support our organization through the placement of an add in our valuable handbook, your add will also:

- Live for a calendar year on our website : napmm.org
- Be featured in a spot across our social media platforms, advertised to the public
- Be included in an email blast to all contacts on the NAPMM mailing list
